****Adult day health programs offer comprehensive health and rehabilitative services** including nursing, recreation therapy, speech, occupational and physical therapy, personal care, nutritional and social services. Most programs offer podiatry, provide lab draws and x-ray services. Beauty salon and barber services are offered in most settings. These programs are licensed and monitored by New York State. All individuals must complete an application and have a complete assessment done by the program. Most will accept individuals from any area if they are paying privately. If Medicaid is the payer source, the approving County must approve payment first. Call an Eldersource representative for assistance. The inclusion or exclusion of an entity does not constitute an endorsement nor signify disapproval by Eldersource/ NY Connects. Eldersource/ NY Connects does not assume responsibility for the quality of services provided by any entity deemed eligible for inclusion.

Eldersource is a service of Lifespan and Catholic Family Center.
